

Tailgating Rules & Regulations

Tailgating is permitted in Lenovo Center parking lots; however, it is limited to the area directly in front of or behind your vehicle. Empty spaces may not be used for the purpose of tailgating or playing games, nor may guests reserve additional spaces for themselves or others, only one space per vehicle is allowed. If you need more room for tailgating or will be tailgating with a group, while the single space per vehicle still applies, the Carter-Finley grass lots are your best option.

CORRECT TAILGATE SET-UP

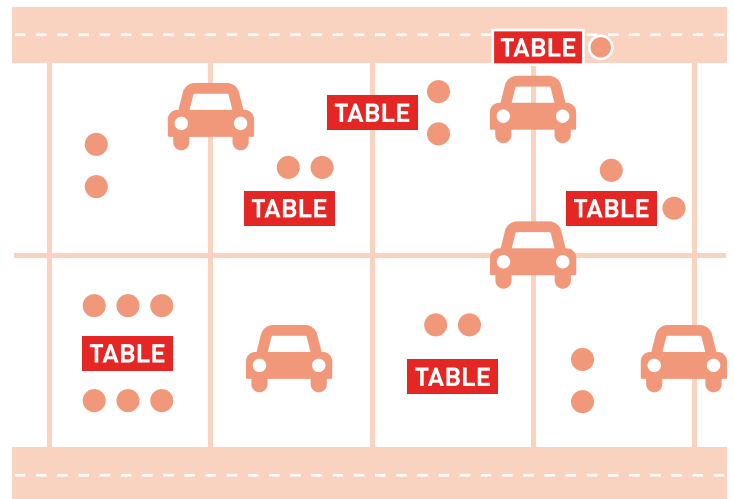

To properly set up a tailgate, please keep all tables, chairs, coolers, grills, etc. within the parking space.

You may not take up extra spaces.

INCORRECT TAILGATE SET-UP

Tables, chairs, coolers, games, and other items should not block other parking spaces. Empty parking spaces should be easily accessible at all times.

The use of wood or charcoal fires and grills is prohibited in Lenovo Center parking lots.

Lenovo Center's Tailgating rules and regulations will be strictly enforced by the parking department and local police officials. Thank you in advance for your cooperation.
